## Harley Davidson Optional Coatings

Anti-Fog Coat - Designed to eliminate fogging caused by cold weather conditions, humidity, and changes in temperature.

Super Hard Coat - Super-premium anti-scratch coatings where lenses are dipped and thermally cured for increased protection against scratching, crazing, cracking, and peeling.

Anti-Reflective Coating - Premium anti-reflective coating allows up to 99% of available light to pass through the lens thereby virtually eliminating reflection while reducing eyestrain. Hydrophobic and oleophobic properties provide for easy to clean lenses that repel water and common oils such as fingerprints.

WX Mirrors - Specially designed to improve lens performance. Durable and scratch resistant, all mirror coated lenses include a double-sided, thermally cured hard coat and a premium backside anti-reflective coating.

## Warranties

Scratch Warranty - Wiley X will offer a one-time scratch warranty on frames, lenses, and coatings for up to 1 year after the date of purchase.

Lab Errors - In the event of a lab error, prescription lenses will be replaced at no cost within a 45 day period of the original order date. The redo will be credited upon receipt of the original frame and lenses.

Tint/Frame/RX Changes - A one-time remake on Wiley X made prescription lenses is permitted within a 90 day period from the original order date. All remakes will be billed a \$10.00 shipping fee.

Non-Adapts - In the event that a customer cannot adjust to their prescription (non-adapt), they will have 90 days to return their product. No credit or refund will be issued for non-adapts submitted after 90 days.
